## Transportation Service: Step-By-Step Startup Guide (StartUp Guides)

Transportation Service shows readers how to create a revenue stream by thinking outside the traditional transportation box. Features information on how to start businesses in the areas of ride sharing, executive car service, special events, medical transport, and pedicab/party services. The personal transportation business is the hottest trend in the service industry, offering riders an alternative to traditional taxi, bus, and shuttle services. The perfect business for the entrepreneur, a transportation service allows business owners to go as big or as small as their market allows, from a single-car ride share service to a full-fleet operation with multiple drivers. Featuring Entrepreneur's trusted branding and strategies, this title gives readers the keys to success.
