Word Warriors: 35 Women Leaders in the Spoken Word Revolution

Female spoken word artists have become the spokeswomen for a new generation. This demanding oral poetry of the early 21st century has defined a vanguard of lithely muscled voices; women who think and act decisively to create their distinctive and desperately earned realities. The combination of the eminent slam movement and the upsurge of bold underground feminism has created a unique pool of women who verbally challenge society on all fronts.

Editor Alix Olson (internationally touring spoken word artist-activist) brought together a variety of astounding spoken word artists for *Word Warriors*. Included in this collection are Patricia Smith and Eileen Myles, two of our most formidable spoken-word foremothers, Tony-award winners Sarah Jones, Suheir Hammad and Staceyann Chin, recording artists Bitch and Lynn Breedlove from the dyke-punk band Tribe 8, award-winning writer Michelle Tea, and many more. These women join other amazing artists from many different backgrounds to create *Word Warriors*, a powerful and comprehensive collection of work from the best and brightest female spoken word artists today.
