**Economía 3D: Una nueva dimensión para tus preguntas de siempre (Spanish Edition)** Martín Lousteau

¿La economía te resulta aburrida, ajena, difícil y sin alma? No desesperes. También puede hacerte reír, aprender y hasta darte un poco de esperanza. Para eso no hace falta ponerse solemnes: alcanza con redescubrir con nuevos ojos sus enseñanzas más valiosas. En estas páginas, Martín Lousteau se mueve como un guía experto entre los tópicos más diversos e inesperados. El rol de los bancos y del sistema financiero, los esquemas mentales inconscientes que orientan nuestras decisiones, el desarrollo, la relación entre el dinero y la felicidad, la economía del sexo y del deporte, el consumo desorientado, la desigualdad, la crisis argentina y la debacle mundial, la ecología y el cambio climático son algunas de las estaciones de este recorrido repleto de realidad, humor y conocimiento.
