Imperialism and Resistance

John Rees

Imperialism and Resistance John Rees

A unique critique of the new economic and military imperialism of the United States and its allies in the twenty-first century.

Inspired by the anti-globalization and anti-war movements, in which the author himself has played a crucial role, this is also an accessible introduction to the huge changes in global politics since the dominance of the American Empire with the end of the Cold War. It covers the key areas of:

- the nature of the new imperialism
- the economic power of the US
- globalization and inequality
- wars in the post Cold War era
- oil and empire
- resisting the new imperialism.

This lively, provocative and practical book is an essential guide to the politics of the new world order, which also offers constructive suggestions on how the global resistance movement should develop. It is important new reading for activists, students and all those wanting to understand and challenge the new imperialism.

Charles Brewster:

As we know that book is important thing to add our know-how for everything. By a book we can know everything we want. A book is a group of written, printed, illustrated or even blank sheet. Every year had been exactly added. This guide Imperialism and Resistance was filled with regards to science. Spend your time to add your knowledge about your scientific research competence. Some people has different feel when they reading any book. If you know how big advantage of a book, you can feel enjoy to read a book. In the modern era like today, many ways to get book that you wanted.

Theodore Rivas:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's heart or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Imperialism and Resistance can make you experience more interested to read.
