We all know what it's like to justify something we're about to do with a clever excuse. Temptation knocks at every door. No one is immune. But often we put ourselves in places of vulnerability and then wonder why we get tempted. So, wherein lies the problem? With the lies we tell ourselves and our resulting behavior. In this engaging book, Greg Laurie takes an honest and humorous look at the ways we fall into sin and how we frequently rationalize our actions. Drawing from the pages of Scripture and his own experiences, he shares practical steps we can take to effectively resist temptation and put an end to the compromises that will ultimately lead to our downfall.
