The *Adventure Guide* is designed to help parents, teachers, and students discover and analyze biblical themes and literature concepts while reading *Little Pilgrim's Progress*. Partnering with the *Adventure Guide* will make reading this incredible allegory an unforgettable event for your child or student.

The guide breaks the novel down into 2 parts, Christian's journey and Christiana's journey. Each journey is separated into four reading sections. These reading sections include vocabulary, questions, allegorical interpretations, literature elements, Bible application, character charts, and character matching.

A Parent/Teacher Helps section is also included, offering detailed suggestions regarding story charts, a mapping bulletin board that can also be used as a game, and several art and literature extensions.

Oftentimes literature activities become busy work that detracts from the story. But the *Adventure Guide* activities and story extensions are meaningful and encourage further examination of story characters, themes, and symbolism. A brief biography of John Bunyan is also included to aide in discussion about the original classic, *Pilgrim's Progress*.
