## **Love is the New Black** Chrissie Keighery

Fun, flirty and easy to read, Love is the New Black is romance at its best. Piper Bancroft has been thrown a lifeline: her godmother in Melbourne has set her up with a job at a top fashion magazine in Melbourne. Having ruined her chances of getting into uni, Piper is ready to grasp this opportunity with both hands. But when Piper starts her new job, she's as out of place as her fake Marc Jacobs handbag. Piper's determined to do a great job and prove she's got what it takes to make it. But there's one very large distraction getting in her way: her completely gorgeous, and completely off-limits, boss. He could just be the most perfect man she wishes she'd never met.
