**Prairie Children and Their Quilts: 14 Little Projects That Honor the Pioneer Spirit** Kathleen Tracy

Inspired by actual children's diaries from the American frontier, this follow-up to the bestseller *American Doll Quilts* explores the origins of doll quilts made during the era. Quilters can stitch small, antique-style projects as they read about the lives of pioneer children and their families.

- Fourteen patterns spotlight popular quilt designs from the nineteenth century
- Projects include a game-board quilt, a schoolhouse quilt, a prairie-doll apron, and a schoolgirl sampler
- See vintage photos of prairie children, and read actual diary entries from children who traveled with their parents to settle in the West
