La formación de gestores culturales ha sido una de las líneas de acción más importantes de la Cátedra UNESCO de Políticas Culturales y Cooperación de la Universidad de Girona desde su creación, tanto en la vertiente práctica de la oferta de cursos de formación de posgrado como en la reflexión sobre las particularidades de su morfología y aplicación.

La presente publicación, que culmina un proceso y una etapa compartida con muchos alumnos y profesores que han participado en nuestras actividades y encuentros, presenta algunos de los principios que han orientado nuestra acción, así como la confrontación intelectual con otros formadores y colaboradores. Creemos que estas aportaciones pueden ayudar a reflexionar y profundizar sobre la capacitación en el sector cultural.

Esperamos abrir un debate más amplio con sus contenidos y favorecer un verdadero intercambio entre formadores de diferentes contextos.
