The Backyard Cow: An Introductory Guide to Keeping a Productive Family Cow Sue Weaver

You don't need acres of land to keep a cow healthy, happy, and productive. You can raise one right in your own backyard, producing more than enough milk for a single family--up to six gallons per day! *The Backyard Cow* covers everything you need to know, from selecting the right breed to understanding your cow's behavior; providing shelter, health care, and daily maintenance; grooming; milking; and making cheese, yogurt, and other dairy products from your milk.
