The Daring Escape of Ellen Craft (On My Own History) Cathy Moore

Introduce young readers to history through the stories of both real and fictionalized people. By focusing on a single important episode that describes a historical event, these books engage readers' interests and imaginations. Written in a story format, each account relates events that really happened, often followed by a brief summary of the historical event to further explain the significance it had on history. On December 21, 1848, Ellen Craft and her husband, William, slipped out into the cold, dark night and took their first steps towards freedom. They were runaway slaves. Posing as a white man traveling with a slave, Ellen courageously boarded a train bound for Philadelphia. Could they actually make it a thousand miles without being discovered? As each tension-filled day passes and freedom gets closer, Ellen and William risk everything--even death--to be free.
