This book brilliantly explains the scientific principles of positive reinforcement training in every day language. --Erich Klinghammer, PhD Director of Wolf Park.

If you are looking for a step-by-step guide to help explain the use of positive reinforcement in training and living with your canine friend, then this is the book for you. Trainer and educator Beth Duman takes you by the hand and guides you through the entire process from the very start. (Trainers - This might be a good book to have your students take home for homework.)

Beth humbly uses her experiences with her own rescue dog, Charlie Darwin (hence the title), to illustrate the successes and pitfalls of training and learning to live happily together.
