The Truth About Obamacare Sally C. Pipes

In her new book, *The Truth About Obamacare*, Sally C. Pipes—president of the Pacific Research Institute and an acknowledged expert on health care reform—reveals what Democrats in Congress and President Obama don't want you to know: Obamacare is even worse than most critics suspect. Debunking the myths that the current administration has touted, Pipes shows exactly what the new health care law will mean for you, your family, your doctor, and your wallet. She also reveals how, contrary to its promises, Obamacare will make health care more expensive, limit your options, lead to deteriorating medical care, and weaken America's already frail economy.
