Turkey: Challenges of Continuity and Change (The Contemporary Middle East) Özlem Tür

The authors put issues relevant to Turkey today – such as consolidating democracy, dealing with economic development issues, improving its human rights record and its foreign policy – in an historical context, allowing comparisons with other late developers in the world and reflecting the complexity of Turkish political and socio-economic developments. *Turkey* also argues that the modernization process that started in the nineteenth century, with all its elements including secularization and Westernization, has taken root.
