Verso nord (Scatti) (Italian Edition) Pia de Jong

Eva ha quattordici anni e tutto quello che desidera è semplicemente una bella vacanza al mare con la propria famiglia. Però suo padre ha dei piani piuttosto diversi: infatti, inseguendo un sogno di ritorno alla Natura, e nonostante le proteste dei suoi cari, l'uomo ha deciso di coinvolgere la moglie e i due figli in un viaggio verso l'estremo e incontaminato Nord, la Lapponia, attrezzandosi solo di zaini, provviste alimentari, fornellini da campeggio e spirito d'avventura. Giorno dopo giorno, man mano che la data della partenza si avvicina, il padre di Eva si convince sempre di più che lui e la sua famiglia sono realmente destinati a fare questo viaggio, che nel Nord troverà finalmente ciò che sta cercando da anni, il senso stesso della vita, qualcosa che l'evoluta e ipertecnologica società occidentale sta perdendo progressivamente in cambio di un'esistenza anestetizzata e inautentica. A nulla servono le rimostranze di Eva e di suo fratello Steven, il viaggio si farà, e si farà come deciso e pianificato dai loro genitori: prima in treno e poi a piedi, attraverso la tundra selvaggia, una regione di cui non esistono neppure dettagliate cartine geografiche, oltre il circolo polare, verso Nord, "l'inizio di tutto"... Un romanzo che racconta in modo originale e toccante la storia di una famiglia e di un viaggio che va molto oltre le frontiere geografiche, diventando un cammino attraverso la fiducia, l'affetto, la paura, il tradimento e l'amore.
