What happens to a dragon lord when his greatest treasure steals his heart?

Arrogant alpha male Hugo Sarkany is hot, handsome and a heartbreaker. Women throw themselves at him hoping for one night in his bed, or at least a nice piece of jewelry.

Curvy, independent Leah never set out to net a billionaire dragon shifter. All this BBW wants is a decent job and a decent man. That lets out indecently wealthy playboy Hugo. He might make her drool but she doesn't want to be a notch on anyone's bedpost.

But so long as he confines himself to looking, she'll put up with her bad boy boss. Trip to Caribbean island? Check. Big bonus? Check. Turning into a dragon? Not so much.

Hugo thinks just one taste of curvy, Georgia Peach Leah will satisfy his raging desires. **He isn't expecting to wake up to an infuriated dragoness.** But one night of passion is enough to turn his obsession with juicy Leah into an obsession with his one and only mate.

Nobody told Hugo that turning his mate into a shifter was the easy part. **How can he persuade his delectable treasure that loving her has transformed his wayward ways?**

A word to the wise: **Smoking hot dragon lord seduces nubile virgin.** The fiery passion ignited in this innocent BBW may shock and titillate. A hard-living, hard-bodied shifter will go to great lengths to pleasure his luscious mate.

Dragon's Treasure is Book 1 in the Lords of the Dragon Islands Series. It is a **standalone** novel with **no cliffhangers** and an **HEA**.

For a limited time only this book includes Isadora's novella, Bear Necessities as a bonus!
