**Grab a share of one of today's hottest markets!**

Out of nowhere, apps have taken the world by storm. In a short time, millions of customers have downloaded apps—and they're eagerly awaiting more.

If you're considering entering the market, stop thinking about it and make your move. You'll reach more customers, expand your product offerings, and grow new revenue streams. And it's much easier than you may realize.

*Get Rich with Apps!* explains how to:

- Marry iPhone and Facebook app features with your business and marketing needs
- Integrate apps with other resources, such as databases and websites
- Take advantage of the social web to expand your customer base
- Measure the success of new and existing projects

You don't need a team of computer whizzes to make a killing in the apps market. All you need is the business advice in this book to get an early foothold in a market with a soaring future.
