## History and Community: Essays in Victorian Medievalism: Volume 5 (Routledge Library Editions: Historiography)

The essays in this volume, originally published in 1992, examine some of the pervasive implications of Victorian medievalism, and assess its creative manifestations and dual capacities for expression of reformist anger and escapist retreat. Some of the emotional and intellectual reasons for the strong Victorian attraction to 'medieval' history and literature are discussed and emblematic responses to this attraction are examined.
