How Schools and Districts Meet Rigorous Standards Through Authentic Intellectual Work: Lessons From the Field

Meet challenging standards by promoting students' authentic intellectual work

There is no such thing as a simple formula for school improvement, but the Authentic Intellectual Work (AIW) framework presented in this book will help school- and district-based teams improve the quality of instruction, assessment, and curriculum for more rigorous and more equitable student learning. This book provides:

- Richly detailed case studies of successful AIW implementation at the statewide, districtwide, and individual school levels
- Illustrations of collaborative teaming to advance higher-order thinking, disciplined inquiry, and value beyond school
- Exemplars of how AIW transforms professional development and evaluations and increases coherence and alignment of initiatives
