**? On sale for just \$0.99c for a limited time! ?**

**Like other girls from her neighborhood, Kloe comes from a broken home. Unlike other girls, she is determined to get her ass outta there and become something by any means necessary!**

A high-school dropout who found fast money working as an erotic dancer, Kloe becomes increasingly disillusioned with her work, in particular the clientele who always want to get their hands on more than they could ever afford.

The last straw is when her sleazy ass boss scolds her for making a complaint. She is sick of this crap; sick of drunks grabbing at her, sick of handing over 70% of everything she makes to this ungrateful son of a bitch! It's time to take matters into her own hands. She is going to break into the boss' safe and take what is rightfully hers!

Local gangster Kash is bad to the bone; a born thug with a buried past who has made his way in life through nothing but sheer hustle. When a freak turn of events brings the pair crashing together a volatile romance ensues.

This is a standalone story of love and lust in the midst of gunshots, sirens and chaos. Will Kloe and Kash survive, or will the harsh realities of gang life tear this power couple apart?
