Only one woman can restore his good name—the woman he left behind. But when Xander finds Layna Xenakos, he's horrified to see the effects of the turmoil he left behind written in the scars across her body.

But her scars have given her strength, and Layna refuses to bow to his royal command. Now Xander must use his practiced charm to convince her to become his bride, securing his legitimate place on the throne.

Find out what happens in book 1, *A Royal World Apart*, and book 2, *At His Majesty's Request*
