Crunching more data maybe helpful but will not revolutionize, let alone save, a declining church. We need creative thinking done by people who are not afraid to face the institutional church.

Indeed, the change we long for is already happening. It is happening on the margins in ministries to the least, the last, and the lost. Written by two creative pastors with different but successful ministries, this breathtaking book will show you how the church can live out its mission and ignite a movement.

If we pay attention, we can let this Jesus Insurgency create new life.
