The Boat Improvement Bible: Practical Projects to Customise and Upgrade your Boat N/A

The Boat Improvement Bible is the most up-to-date, user-friendly, and hands-on practical manual for boat owners who wish to improve their sailboat or motorboat. It will equip any boat owner with average DIY skills to upgrade all aspects of their boat: safety, comfort, facilities, storage, and performance on the water. Many of these projects will also help increase a boat's value.

Projects include installing a heating system, installing hot water and a shower, increasing water tank size, making the heads electric, installing air conditioning or better ventilation, setting up solar- or wind-power charging for the batteries, fitting a generator, adding a gas alarm, installing interior lighting, adding a bathing platform or boarding ladder, plus much, much more.

Packed with exploded diagrams, helpful step-by-step photographs, and detailed guidance, *The Boat Improvement Bible* provides a wealth of DIY expertise and advice to enable anyone to improve their yacht or motorboat.

With this book in hand, you'll never need to call in the experts!
