One touch can change everything...

Hitman Dmitri Lisko is determined to avenge his father. Once he takes out the man he believes is responsible for his family's tragedies, he's done killing for good. But a mysterious woman may tempt Dmitri to change his plan.

Sonya Truss was murdered in a Ukrainian village in 1968. Now she's reappeared in San Francisco as a rusalka—the ghost of a wronged woman. And she's thirsty for the blood of her killer. But she has to make things right before she's trapped between worlds forever.

Sonya's enigmatic siren powers stir Dmitri's long-buried chivalry, and he finds himself compelled to help her. He also can't resist giving her a taste of the pleasures she never experienced while she was alive. Soon they discover that touch has surprising consequences. Yet when their shared mission comes to cross-purposes, they must choose between deadly sacrifice—or surrendering to the one act that can save them both.
