**The Wars of the Green Berets: Amazing Stories from Vietnam to the Present** Robin Moore, Michael Lennon

Legendary adventurer and raconteur Robin Moore has teamed up with third-generation Army officer Michael “Doc” Lennon to share the stories of the soldiers who have earned the right to wear the Green Beret.

From Vietnam to the present day, *The Wars of the Green Berets* retells the stranger-than-fiction, hair-raising experiences of the stout men who have risked it all, from their firefights on the Cambodian border to their present-day patrols on the dangerous streets of Baghdad. It takes us to the streets of Mogadishu in the days before and after the events of *Black Hawk Down*. It puts us on the rocky moonscapes of Afghanistan in search of the enemy, where soldiers face the dangers of friendly fire as well as fierce Taliban fighters.

Featuring a new foreword by a former Green Beret about the continued efforts and role Special Forces play in modern warfare, this is a work of fiction that is more real than many works of history. It’s destined to become a classic.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
