**When Madison's friends become the victims of online gossip, Maddie must find the culprit—before she's blamed for telling secrets**

Madison seems to be out of the loop these days. News travels so fast around school and online, and Madison is the last to know anything. A new online bulletin board called The Wall has captured the attention of Maddie and her friends. On The Wall, anonymous postings about people keep popping up—and they can be pretty mean. When secrets told in confidence appear on the site under a fake screen name that looks like Madison's, she finds herself in the hot seat. Who could be so deceptive and hurtful? Maddie is determined to find the culprit and give her a taste of her own medicine.
