Jesus Christ is as popular as ever. Films, books, and news articles ask, "Who was Jesus Christ?" Even outside of Christianity he continues to appeal to people. And yet for so many, the popular Jesus is not the Jesus of Christianity. The popular Jesus makes no demands and never challenges people. He accepts everyone and everything under all circumstances.

On the Way to Jesus Christ is a series of meditations that Pope Benedict XVI wrote while he was Prefect for the Congregation of the Doctrine of the Faith. The true Jesus he writes, is the Jesus of the Gospels who "is quite different, demanding and bold. The Jesus who makes everything okay for everyone is a phantom, a dream, not a real figure. The Jesus of the Gospels is certainly not convenient for us. But it is precisely in this way that he answers the deepest question of our existence, which--whether we want to or not--keeps us on the lookout for God, for a gratification that is limitless, for the infinite. We must again set out on the way to this real Jesus."

This book also examines whether Jesus Christ is the only savior, and the Church's responsibility to evangelize. It concludes with reflections on Jesus' Presence in the Holy Eucharist, and the Catechism of the Catholic Church's presentation of the Christian mystery as seen through the Catechism's dynamic view of Sacred Scripture.

On the Way to Jesus Christ is for anyone--believer or nonbeliever-who wants better to understand the true Jesus, the Jesus of the Gospels, the Christ of Christianity.
