Walter Feinberg, Jonas F. Soltis

**School and Society, 5th Edition (Thinking about Education)** Walter Feinberg, Jonas F. Soltis

This widely used text has been expanded to include the most important issues in contemporary schooling, including:

- New end-of-chapter sections for Further Reading.
- New references added to the useful Additional Resources section.

*School and Society, Fifth Edition* uses realistic case studies, dialogues, and open-ended questions designed to stimulate thinking about problems related to school and society, including curriculum reform, social justice, and competing forms of research. Written in a style that speaks directly to today's educator, this book tackles such crucial questions as: Do schools socialize students to become productive workers? • Does schooling reproduce social class and pass on ethnic and gender biases? • Can a teacher avoid passing on dominant social and cultural values? • What besides subjects do students really learn in schools?

*School and Society* is one of the five books in the highly regarded Teachers College Press *Thinking About Education Series*, now in its Fifth Edition. All of the books in this series are designed to help pre- and in-service teachers bridge the gap between theory and practice.

## **Praise for Previous Editions!**

"I have been surprised and pleased by the relevance of this particular book to the lives and work of my beginning teachers."

—**Teaching Education**

"[This series] does a masterful job of bringing together the basic issues and teaching methods that should frame social and philosophical foundations curricula."

—**Educational Theory**

**Walter Feinberg** is Professor of Educational Policy Emeritus at the University of Illinois at Urbana-Champaign. **Jonas F. Soltis** is William Heard Kilpatrick Professor Emeritus of Philosophy and Education at Teachers College, Columbia University.
