Does the quietness of the outdoors appeal to your frantic pace of daily life? Do you sense a stronger connection with God when you are hiking a mountain trail, fishing a stream, or hunting in your favorite deer blind? Do you contemplate the purpose of your life and wonder if what you do today really matters at all? Author Dave Myers invites you to explore God deeper through his creation and see the rich lessons that are revealed in it. The perfect choice for any outdoorsman, *Swim Upstream: An Outdoorsman's Guide to Spiritual Adventure* is formatted as an easy to follow month-long devotional. Its offering of anecdotes and spiritual insight will bring your heart alive with stories of outdoor adventures and help you to clearly see the higher truths of God, showing you exactly what it takes to Swim Upstream. Dave Myers has tapped into the heart and spirit of both men and God. Creation is God's way of pointing mankind to himself, and Dave has caught the very essence of this in *Swim Upstream: An Outdoorsman's Guide to Spiritual Adventure*. The outdoor adventures compel you to read on, while the spiritual lessons taught provoke you to evaluate your own life in a personal and meaningful way. I highly recommend reading this book!
