## **Una Ricerca Erboristica (Italian Edition)** Matteo Politi

L'utilizzo delle piante medicinali per la cura delle malattie è una pratica antica quanto l'umanità. Tante le diverse civiltà, quante le maniere di usare le erbe medicinali. Sebbene la scienza moderna possa dare un senso di verità assoluta anche nel campo delle piante medicinali, questa rimane una visione parziale del fenomeno, che come ogni altra verità relativa, ha senso solo all'interno del contesto socio-culturale specifico. In questo libro, oltre a riportare l'esperienza personale come ricercatore scientifico nel campo della chimica dei prodotti naturali, vengono descritti altri metodi di utilizzo delle piante medicinali, praticati in contesti socio-culturali differenti. Interpretare le proprietà terapeutiche di una pianta da una prospettiva specifica, comporta necessariamente descrivere la vita stessa da tale prospettiva, così come i concetti di salute e malattia; una ginnastica mentale molto utile nel cammino della conoscenza.
