Dream a Little Dream Megan Hart

Can the man you meet in your dreams become your life mate? Don't miss *New York Times* bestselling author Megan Hart's scintillating romance...

The first time Mariella Finch made love to Butler Meadows they had just escaped from a soul-eating monster. What began as Butler's nightmare turned into one of the most intensely exciting nights Mariella had ever had in the land of Ephemeros, the land of dreams. And in Ephemeros, Mariella has the power to shape reality and her physical appearance.

When Mariella finds Butler in the waking world, he doesn't recognize her. Sweet and shy, Butler is the man she never knew she was looking for. But he's reluctant to show the passion he feels free to release in their nocturnal rendezvous.

Mariella knows that she can use everything she learns about Butler in Ephemeros to make him love her. What she doesn't know is if she wants a romance built on lies and fantasy—or if Butler will ever trust her if he knows the truth.
