Perijee & Me Ross Montgomery

***Perijee and Me* is a hilarious and touching story about an unusual friendship, a heart-stopping adventure, and the power of kindness when you're faced with an alien invasion. If *E.T. the Extra Terrestrial* is still "right here" in your heart, then you're sure to fall hard for the misunderstood Perijee and the one girl who's desperate to save him.**

Caitlin is the only young person living on Middle Island. On the first day of vacation, she finds a tiny alien on the beach. Caitlin becomes close to her secret friend, whom she names Perijee, teaching him everything about her world and treating him like a brother.

There's only one problem: Perijee won't stop growing. And growing . . . Caitlin will have to convince the adults around her—and Perijee himself—that the creature they see as a terrifying monster is anything but.

Praise:

"Montgomery engages us with . . . high drama, hurtling towards a heartwarming resolution." —*The Sunday Times* (London)

The authors in this world always try to improve their skill in writing, they also doing some analysis before they write to their book. One of them is this Perijee & Me.

Josephine Draughn:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Perijee & Me can make you feel more interested to read.
