A Truffaut Notebook (McGill-Queen's Studies in Urban Governance) Sam Solecki

François Truffaut (1932-1984) ranks among the greatest film directors and has had a worldwide impact on filmmaking as a screenwriter, producer, film critic, and founding member of the French New Wave. His most celebrated films include *The 400 Blows*, *Shoot the Piano Player*, *Jules and Jim*, *Day for Night*, and *The Last Metro*.

A Truffaut Notebook is a lively and eclectic introduction to the life and work of this major cinematic figure. In entries as brief as a page, as well as in full-length essays, it examines topics such as Truffaut's mentors, the autobiographical nature of his films, his place in the film tradition, his film criticism, his reputation, his relationships with other directors, and the formal and thematic coherence of his body of work. Sam Solecki also argues for Truffaut's continuing appeal and relevance by examining his influence on filmmakers like Woody Allen, Noah Baumbach, Alexander Payne, Patrice Leconte, and Jean-Pierre Jeunet, and on writers such as Julian Barnes, Ann Beattie, and Salman Rushdie. Because the book returns regularly to the author's shifting responses to Truffaut's work over the last fifty years, it also offers an autobiographical meditation on his own lifelong fascination with film.

Consisting of over eighty short entries and essays, as well as provocative lists, dreams, and quizzes, *A Truffaut Notebook* is an original and exciting text and a model of passionate engagement with cinema.
