## **Las teorías salvajes (Spanish Edition)** Pola Oloixarac

Una joven estudiante de filosofía acorrala a su viejo profesor por los pasillos de la facultad. Dos adolescentes encuentran en su deformidad física y moral un buen motivo para unirse. Una militante de izquierda escribe cartas a Mao. Y una teoría antro-po-psyco-política lo explica todo. Las teorías salvajes, deslumbrante y provocador debut literario de Pola Oloixarac, es una sátira de la oficialidad académica, política, cultural y "progre" de los setenta, bombardeada con los argumentos de una femme fatale. Publicada por primera vez en 2008, traducida a seis idiomas y merecedora de innumerables elogios en Argentina, España y Francia, esta novela produjo un terremoto en el mundo de las letras, suscitando reacciones tan intensas como distintas. Con esta nueva edición, Literatura Random House vuelve a hacer circular una comedia filosófica extraordinaria salpicada de cibercultura, porno y videojuegos.

La crítica ha dicho:

"La prosa de Pola Oloixarac es el gran acontecimiento de la nueva narrativa argentina."

Ricardo Piglia

"A todas luces uno de los primeros clásicos de este siglo que ha dado la literatura hispanoamericana."
