Reordered Love, Reordered Lives: Learning the Deep Meaning of Happiness

David K. Naugle

Reordered Love, Reordered Lives: Learning the Deep Meaning of Happiness David K. Naugle

If we have a particle of sense, St. Augustine said, we realize that we all want to be happy. What's more, God actually *designed* human beings to crave and seek happiness. Why, then, is there so much *unhappiness* in the world? According to David Naugle, it's because, in our desperate quest, we're looking in the wrong places.

Reordered Love, Reordered Lives explores a distinctly Augustinian theme that is supremely relevant for the twenty-first century. Naugle explains that if we *love* properly -- that is, if we love beginning with God and progressing to other humans, ourselves, and the world around us -- we will also *live* properly and, in so doing, will find our own true happiness. Packed with select quotes and references to popular music, literature, and other media -- and including provocative questions for discussion -- the book presents classic theological ideas in a conversational and edgy fashion. Naugle's refreshing take is sure to appeal to anyone searching for happiness -- which, in the end, is all of us.
