The Cure JG Faherty

She was born with the power to cure. Now she's developed the power to kill.

Leah DeGarmo has the power to cure with just a touch. But with her gift comes a dark side: Whatever she takes in she has to pass on, or suffer it herself. Now a sadistic criminal has discovered what she can do and he'll stop at nothing to control her. He makes a mistake, though, when he kills the man she loves, triggering a rage inside her that releases a new power she didn't know she had: the ability to kill. Transformed into a demon of retribution, Leah resurrects her lover and embarks on a mission to destroy her enemies. The only question is, does she control her power or does it control her?
