Troubling Love

Elena Ferrante

Troubling Love Elena Ferrante

"A deeply observed, excruciatingly blunt novel." -*The New Yorker*

"The raging, tormented voice of the author is something rare." -*The New York Times*

Following her mother's untimely and mysterious death, Delia embarks on a voyage of discovery through the streets of her native Naples searching for the truth about her family. A series of mysterious telephone calls leads her to compelling and disturbing revelations about her mother's final days.

This stylish fiction from the author of *The Days of Abandonment* is set in a beguiling but often hostile Naples, whose chaotic, suffocating streets become one of the book's central motifs. A story about mothers and daughters and the complicated knot of lies and emotions that binds them.
