One of our most evocative senses, fragrance can encapsulate a mood, recall a feeling, or establish a state of mind. It forms a natural part of many magical rituals, but here for the first time, best-selling author, Cassandra Eason, draws all the strands together. Structured around the reader's lifestyle, she offers modern, practical spells and rituals to enhance every aspect of their lives. They can increase energy, develop spiritual awareness, enhance dreams, be used for divination or healing, invoke angels, establish protection, and even make wishes come true. She explains exactly how to use fragrance in all its forms – oils, incenses, candles, smudge sticks – for a range of life-enhancing experiences.
