BONUS: This edition contains an excerpt from Therese Fowler's *Exposure* and a *Reunion* discussion guide.

Blue Reynolds, celebrity talk show host and queen of daytime television, appears to have it all. But no one knows the secret she has harbored for the last twenty years—a secret that could destroy her image, her reputation, and her career. A week in Key West to do her show on location brings Blue a much-needed change of pace—and an unexpected reunion with an old flame, Mitch Forrester. Helping him launch a television series may help her recapture the kind of genuine romance long missing from her life. But it also means dealing with Mitch's disapproving son, Julian, who is only nine years younger than Blue. Back from his years as a war photographer in the world's most dangerous hotspots, Julian struggles to get close to his father while making his disdain for Blue crystal clear—which makes his desire for her all the more surprising.

As serendipity and scandal collide, Therese Fowler's passionate, illuminating novel takes a dramatic turn deep into our own hearts, as the healing power of love transforms regrets into new beginnings.
