The Dark Hand of Magic (The Sun Wolf and Starhawk Series Book 3) Barbara Hambly
The mercenary Sun Wolf must use his immature magical powers to rescue his old army from an evil wizard's curse

For years, Sun Wolf and his gang of cutthroats were the most feared mercenaries in the land. When Sun Wolf learned he could work magic, he and his lieutenant—the fearsome Amazon Starhawk—left the gang behind so that he could learn to harness his new powers, and his men went their own way.

A year later, the old crew reaches out to Sun Wolf for his help. A string of rotten luck has befallen their latest campaign, and they have begun to suspect a curse. Their arrows break; their food rots; their tunnels cave in. They have heard rumors of Sun Wolf's magical abilities, and beg for his help. But when he goes after whatever is targeting his men, he finds himself up against the deadliest force he has ever encountered.

This ebook features an illustrated biography of Barbara Hambly, including rare photos and never-before-seen documents from the author's personal collection.
