Carlo Ferdinando Russo

Aristophanes: An Author for the Stage Carlo Ferdinando Russo

Carlo Ferdinando Russo's book has been a seminal work on Aristophanes since its publication in Italy in 1962. In his detailed analysis, Russo considers the plays as *libretti* for actors and singers rather than as mere texts, and never loses sight of the stage. This is the classic book about Aristophanes. Now finally available in English and much-updated, it is essential reading for any student of Athenian comedy.
