## **The Secret Glory** Arthur Machen

Some years ago I met my old master, Sir Frank Benson—he was Mr. F. R. Benson then—and he asked me in his friendly way what I had been doing lately. "I am just finishing a book," I replied, "a book that everybody will hate." "As usual," said the Don Quixote of our English stage—if I knew any nobler title to bestow upon him, I would, bestow it—"as usual; running your head against a stone wall!" Very good. The year after, schoolmasters and football had ceased to engage my attention. I was deeply interested in a curious and minute investigation of the wonderful legend of the Holy Grail; or rather, in one aspect of that extraordinary complex. My researches led me to the connection of the Grail Legend with the vanished Celtic Church which held the field in Britain in the fifth and sixth and seventh centuries; I undertook an extraordinary and fascinating journey into a misty and uncertain region of Christian history. I must not say more here, lest—as Nurse says to the troublesome and persistent child—I "begin all over again"; but, indeed, it was a voyage on perilous seas, a journey to faery lands forlorn—and I would declare, by the way, my conviction that if there had been no Celtic Church, Keats could never have written those lines of tremendous evocation and incantation

Do you want to try this extraordinary wasting spare time activity?

#### **Rafael Rainey:**

Is it an individual who having spare time and then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something totally new? This The Secret Glory can be the answer, oh how comes? The new book you know. You are and so out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these books have than the others?

#### **Patrick Duenas:**

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Secret Glory can make you really feel more interested to read.
